

USE PowerTouch

to get in touch...

PowerTouch from York Electric Cooperative is the best way to help us get your lights back on even quicker.

This new outage management system lets you easily report an outage from your home telephone, or from another location by entering your meter or account number.

Important: We **MUST** have your up-to-date telephone number where you receive service for PowerTouch to work most effectively.

Please fill out the attached form, mail in with your payment or drop off at your nearest co-op office.

Now use **PowerTouch** to get in touch at

1-866-374-1234

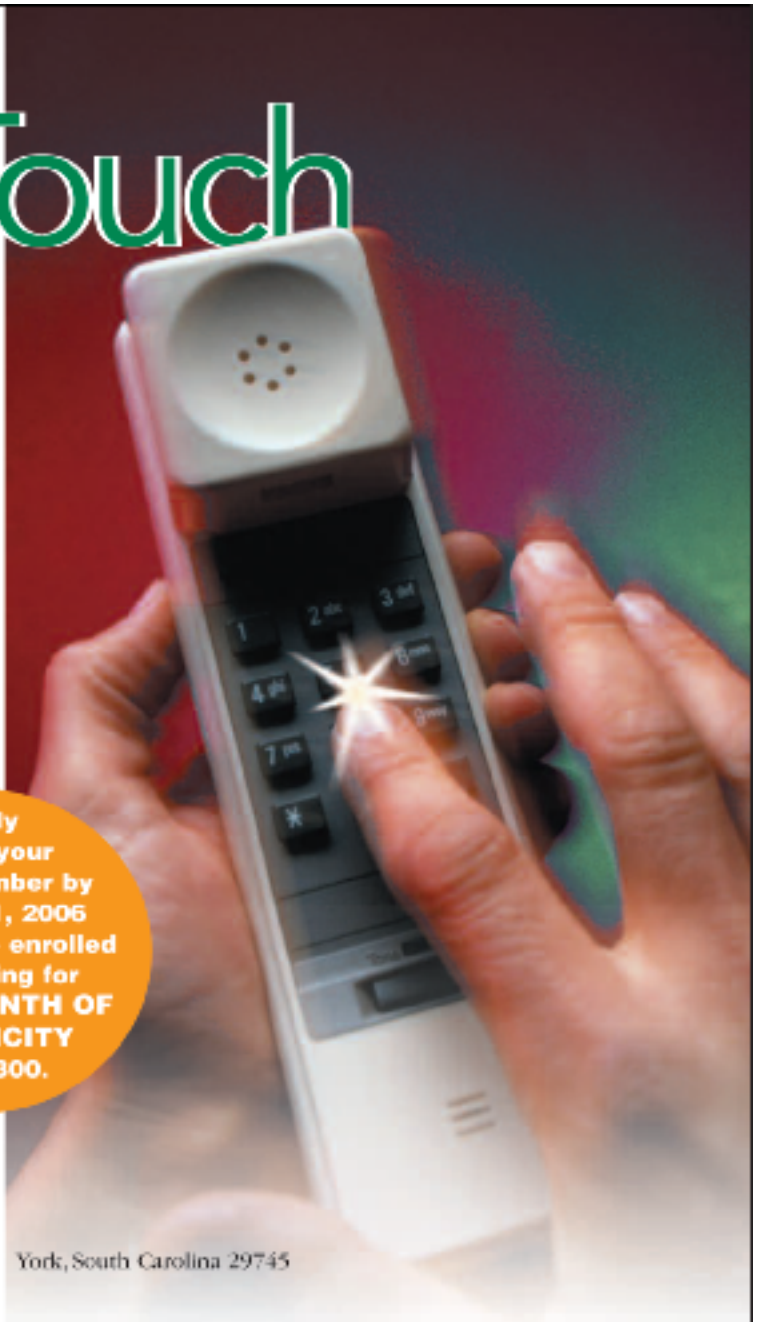

Simply update your phone number by February 1, 2006 and you'll be enrolled in a drawing for **1 FREE MONTH OF ELECTRICITY** up to \$300.
