Round Up and Reach Out.

Can you imagine how devastating it would be to lose everything you owned in a fire? What if you lost your job and found that you couldn't pay your child's medical bills? Where would you turn?

York Electric Cooperative has a program that helps both people in need and the organizations that support them. Operation Round Up® allows York Electric members to round up their monthly electric bill to the next whole dollar. This money, on average just \$6 per year per person, is then distributed to help people get back on their feet.

Make A Difference Locally.

Operation Round Up gives you an opportunity to make a difference in the lives of your friends and neighbors by providing funding for worthwhile projects in our area. For just a few dollars a year you can help individuals in York, Chester, Lancaster and Cherokee counties get their lives back in order. The York Electric Trust, a volunteer group of community leaders, distributes all Operation Round Up money. Your donations will stay right here.

How It Works!

Participants agree to have their electric bills rounded up to the next whole dollar. For example, if your bill came to \$54.81, it would automatically be rounded up 19 cents to \$55. Your contribution would then be pooled with other participants' and distributed to worthy causes. It doesn't sound like much, but if every York Electric member participated we could Round Up more than \$170,000 per year!

Participants will receive a summary of their contributions and York Electric will also keep you posted about each donation made by the York Electric Trust. Your contributions may also be tax deductible.

Where Does The Money Go?

Operation Round Up funds stay right here in the York Electric service area. Strict guidelines for awarding this money address needs such as food, clothing, shelter, health care and other community services.

Funds are never used for political purposes.

In the past we have helped:

- people with emergency medical expenses
- people living with long-term disabilities
- literacy programs
- substance abuse programs
- hospice programs
- and so much more ...

How Can I Help?

Signing up for Operation Round Up is easy! Simply fill out the attached reply card and you can start helping with your next electric bill.

If you have any questions about Operation Round Up, please call York Electric at 803-684-4247 or 1-800-582-8810.

Round up & Reach out.

Sign up today and help us Round Up and Reach Out. Complete the form on the right and mail it with your payment or drop it by our office. You'll be glad you did!

Yes, I would like to
