Co-op Connections® Program

Introducing the Co-op Connections Program

A program that benefits electric cooperative members by offering valuable discounts from participating businesses and increases customer visits at local businesses.

- All York Electric members will receive two free Co-op Connections cards, key fobs and a list of participating local and national businesses.
- This program gives participating businesses exposure to our 43,000 accounts and millions more served by our fellow Touchstone Energy cooperatives.
- A list of participating businesses will be provided to all York Electric members. These businesses are also posted on the Web at: www.yorkelectric.net.
- Co-op members are encouraged to shop at participating businesses through promotions published in *Living in South Carolina* magazine, our e-newsletter and website.
- The card features York Electric's important contact information and website.

The program is FREE to participating businesses
